

June

Part of the Month

COMPU**Craft**

Fabricators Inc.
Precision Metal Components

Newest Members of the Family

This month we are featuring our two brand new Haas VF-2 CNC Milling Machines, as well as our new Haas TR-210 trunnion table. The VF-2s feature a 30" x 16" x 20" XYZ travel distance. The TR-210 trunnion table is installed in our existing Haas VF-3YT Milling Machine, which provides that machine with full 5-axis simultaneous machining capability. With the addition of these machines, Compucraft now has five CNC machining centers and one CNC lathe to complement our sheet metal capabilities. For a full equipment list, visit www.metalwork.com and click on the "Equipment" link. Whether it is sheet metal or machining, welding or forming, let Compucraft be the one-stop shop for all of your metal component requirements. Send your inquiries today!

Quiz:

Apple sued Samsung for alleged Intellectual Property infringement - for \$2B. What were the details of the settlement?

- a. 10% of total Samsung profits.
- b. \$40 per Samsung device sold.
- c. 50% of Samsung sales in China.
