

All in the Family

This month we are featuring a family of parts as our September Parts of the Month. Destined for the food industry, these parts are fairly standard sheet metal, with some machined components that get welded on to one of the parts. These brushed stainless steel parts are all passivated prior to shipping, and care is taken during the manufacturing process to ensure that all polishing belts and media are only used for stainless steel so as not to introduce any foreign contaminants.

Quiz:

Which frontman was still singing the words “I hope I die before I get old”, despite having already reached his sixties in 2004?

- a. Ray Davies
- b. Roger Daltrey
- c. Lou Reed
- d. Mick Jagger

Problem:

Of the 56 delegates to the Congress, a Committee of Five was appointed to write the Declaration of Independence. As it turns out, Thomas Jefferson did all the writing with input from Benjamin Franklin and John Adams. In how many different ways could a committee of 5 members be chosen from a group of 56?
